# USING OUR PRAYER DIARY

Welcome to the July - Sept Prayer Diary. Join us in the next three months as we pray daily for aspects of our work, along with our community of people who are engaged in that work, and for the individuals who we long to see accept Jesus as their Lord and Saviour.

Each week we will have a theme for an area of our work. We will focus our prayers on this theme to start the week on Sunday, and Saturday to close the week.

Each weekday contains the names of the Church Army community who are working in multiple different roles across the UK and Ireland (and some further afield) according to their birthday.

As a charity that trains people and then releases them to follow God's call to serve people practically and spiritually, many people are engaged in Gospel-work in ways that we are not aware of and the nature of that work can often change. It is our hope to gather more information about the many different ways in which we are working with individuals and communities in England, Ireland, Scotland and Wales, but even where we only have the name and location of someone, know that, as you lift them up to God in prayer, you are joining hundreds of other faithful people across these islands interceding for a ministry (big or small) that is transforming the lives of lost people to become adopted sons and daughters of our glorious King.

Thank you so much for your faithful support.

## SCHOOL HOLIDAYS

Across the UK and Ireland many CA Evangelists and Centres of Mission work with schools, oftentimes going into schools to hold assemblies, run lunch-time clubs as well as after-school clubs and other activities. But this work doesn't stop during the holidays, in fact, the holiday season can be a difficult time for many of the families we work with. Let's pray this week for our holiday time Evangelism.

### Sunday

For many families on a low income, the school holidays can be a difficult time. Childcare can add pressure to single parents trying to balance work commitments with looking after their children and many rely on lunches provided by schools which are not available during the summer. Pray for these families and the Evangelists who work with them.

## THE TRANSFIGURATION OF OUR LORD

This week ends with the Feast of the Transfiguration of our Lord which recalls Christ's glory being revealed as He was joined by Moses and Elijah, in the presence of three disciples, Peter, James and John. At the start of this prayer week, let's encourage each other to open our Bibles and read this account in Luke 9:18-36. Let your attention turn to who Jesus is. As we pray through this week, our focus will be on Jesus. He is the reason Church Army has been passionately sharing hope and truth for 140 years.

### Sunday

## MATTHEW, APOSTLE AND EVANGELIST - 21 SEP

On Wednesday of this week the Church of England recognises Matthew, Apostle and Evangelist. Before following Jesus, Matthew was a tax collector, despised by people. When asked why He spent time with people like Matthew Jesus said, "It is not the healthy who need a doctor, but those who are ill...For I have not come to call the righteous, but sinners." (Matthew 9:12-13). Matthew's situation was not one of poverty or homelessness, but it was one of being marginalised and hated. Church Army has always sought to draw alongside those on the very edges of society. Join us this week as we pray for those who find themselves marginalised or disconnected.

### Sunday

Through our work with some of the most marginalised people in society we remember the clear message that Jesus gave us by including Matthew as a disciple - that no-one is beyond help and everyone needs to know God's love. Pray that we may reach many more people like Matthew.
