# USING OUR PRAYER DIARY

For there is one God and one mediator between God and mankind, the man Christ Jesus.

1 Timothy 2:5

Welcome to the October-December Prayer Diary. Join us over the next three months as we pray daily for aspects of our work, along with our community of people who are engaged in that work, and for the individuals who we long to see accept Jesus as their Lord and Saviour.

Each week we will have a theme for an area of our work. We will focus our prayers on this theme to start the week on Sunday, and Saturday to close the week.

Each weekday contains some of the names of the Church Army community who are working in multiple different roles across the UK and Ireland (and some further afield).

As a mission community that trains people and then releases them to follow God's call to serve people practically and spiritually, many people are engaged in gospel-work in ways that we are not aware of, and the nature of that work can often change. We hope to gather more information about the many different ways we are working with individuals and communities in England, Ireland, Scotland and Wales. But even having only the name and location of someone, know that, as you lift them up to God in prayer, you join hundreds of other faithful people across these islands interceding for ministries (big or small) that are transforming the lives of lost people and inviting them to become adopted sons and daughters of our glorious King.

Thank you so much for your faithful support.

“Spring forward, fall back” – The clocks go back one hour on Sunday. Out of the two daylight saving days in the year, most people regard this one as the more favourable because we regain that precious hour. It also marks the time of the year when we begin to feel the temperature drop a little more rapidly. Many people this year will feel the pinch of the rising energy bills. Join us this week as we pray for the various ways that people in the UK and Ireland will be impacted by the cost-of-living crisis.

# ADVENT THOUGHTS

## STEPPING INTO ADVENT

by Chris Hardy

Advent goes quickly! It didn't feel that way when I was growing up, Christmas just couldn't come fast enough. The four weeks of Advent seemed to draw out as I counted down the days, and sometimes even the hours, in excited anticipation of Christmas morning.

As I grew older that anticipation gave way to preparation. 24 days to get everything ready to make Christmas as good as it can be. But it is too easy for this season to become filled with preparations for the wrong things. The practicalities of getting ready for the day where we celebrate the birth of Christ can take over the period of time given to us to prepare ourselves to receive Him.

Advent is to Christmas what Lent is to Easter - a season for focusing our attention towards Jesus, and regaining that anticipation so the impact and joy of Christmas day will be full. As we get ready to step into Advent let's plan to spend time in His presence. What better time is there to warm yourself next to the fire of God's Word and comfort yourself with promises of the coming Saviour, sent by a Father so consumed with love for the world that He chose to save us?

I love the line from the ancient hymn *Joy to the World*, written by Isaac Watts, that says "Let every heart prepare him room". Let's resolve now, at the beginning of Advent to prepare room in our hearts for the Lord Jesus Christ.

## VULNERABLE PEOPLE AND HOMELESSNESS

This week we are praying for people who are caught in the cycle of homelessness as well as those who are vulnerable. Wednesday this week will mark the first day of Winter. As the days continue to become shorter and colder, take some time to pray for everyone who cannot simply turn the heating up, throw on a warmer jumper or even access facilities to make a hot drink. Many people in our society will go without the comfort and joy that everyone should experience. As we prepare this final week to celebrate Jesus, join us in reflecting on God's love for the world that He sent Jesus for **everyone everywhere**.

# 25 DEC - 31 DEC

## CHRISTMAS & NEW YEAR

Church Army is all about hope: hope in a God who loves, hope in a Saviour who came into human history to make the ultimate sacrifice, and hope in the help that we, as followers of Jesus take with us into some of the darkest and most difficult situations in society.

As you celebrate the birth of Jesus, remember that He came to redeem and restore. Pray for everyone who makes up Church Army, whether they are working or resting this Christmas that they will be renewed and refreshed for the next year of bringing **hope to the streets**.

In these final two weeks of prayer leading up to Christmas and New Year we will have shorter prayers. We have removed the daily prayers to allow you time to rest, reflect and pray freely about the theme for the week.

### Final word

This Prayer Diary along with Catalyst are brought to you each year by the Church Army Communications Team. From everyone on the team we wish you a joyful Christmas and happy new year.
