

POTENTIAL CONVERSATION CARDS

Potential Conversations

Of course the bible is just an ancient book, we shouldn't take it any more seriously than the Greek myths.

Potential Conversations

Can you tell me how you can trust the Bible? It seems so full of contradictions and bits that make me uncomfortable.

Potential Conversations

The bible has been translated so many times we can't trust what it says. The translator just made it say whatever they wanted, we have no idea how accurate it is.

Potential Conversations

So much of the bible was made up by the church so they could control people, why do you still think it's important?

Potential Conversations

It's good that you think the bible is true, it's important that we all have our own way of seeing the world.
