FROM OUR CEO

I'm delighted that you are interested in the role of Interim Youth Worker for Seacroft, Leeds, with Church Army, I hope that as you read through this job pack you get a clearer sense of who we are.

In all our work Church Army seeks to support and empower those most in need in the UK & Ireland. We walk alongside and love those who are struggling, especially the marginalised. We are a mission organisation committed to enabling the transformation of lives and communities in and by the love of God.

The work of Church Army makes a real difference in people's lives. Every role offers the opportunity contribute to making our vision a reality. The work that you do with Church Army really will make a difference, and we are thankful for every one of our committed and passionate staff. Our GRACEUP values are at the heart of all that we do across Church Army, in our work and in our relationships. They serve as cultural cornerstones, compass points and anchors. In joining Church Army, you will belong to a community of remarkable people who are proud to do what they do. Together we work hard to make sure our team know that they are valued for their contributions and moreover valued for who they are.

This is an exciting time to join us. As we implement our DARE strategy Church Army is growing its frontline work and growing its impact. We are proud to work in some of the toughest communities across the UK and Ireland. Our Centres of Mission, in partnership with Dioceses, are where evangelists live in local communities sharing faith, and empowering & equipping the local church in mission and evangelism. In Marylebone London, we run the biggest women's only hostel and the only 24/7 emergency drop-in centre in the UK. Marylebone empowers women to end their homelessness and live their lives to the full. In Cardiff, we run the Amber Project, which helps young people who battle self-harm, and the Ty Bronna Project, which is a hostel for homeless young people.

It can be challenging work. Church Army is often found where others won't go and doing things that others can't or won't. Yet it is joyful and fulfilling work. We serve in a broad range of settings, with people from all walks of life, and of all faiths and none. I am thrilled and humbled to work for an organisation that does this in God's name and your name.

I hope that you will be inspired and encouraged to want to join our amazing team.

Yours,

Jude Davis

FROM THE BISHOP OF KIRKSTALL

Church Army is an amazing organisation, and I have been very impressed by the work of the Leeds Centre of Mission in Seacroft. When I visited the Biker Outreach last year, I could see first-hand the relationships that had been built up and how the lives of the teenage lads and young men were being affected by the gospel as it was being lived out among them.

Our vision as a diocese is for confident Christians, growing churches, transforming communities and so helping share the Good News of Jesus Christ across our young Diocese.

The work of Church Army in Seacroft, working with the local church and volunteers, is helping to achieve our vision amongst young people who are often forgotten by society but who are so very important to God.

The continuation of this ministry is really important to us as a diocese and I hope you will prayerfully consider applying for this role.

+Arun

Bishop of Kirkstall, Arun Arora

LEEDS CENTRE OF MISSION

Leeds Centre of Mission reaches teenagers in the Seacroft area with the good news of Jesus, seeking to make disciples and to grow new forms of church that are missional. Leeds Centre of Mission is part of the Missional Youth Church initiative of Church Army and the Church of England (see mycn.org.uk).

This ministry to Seacroft was launched in November 2019 to reach young people with the good news of the gospel and grow a youth church. It reaches young people from unchurched backgrounds; these are mainly disadvantaged young people often with challenging behaviours and complex needs.

The Lead Evangelist has been present for a day a week in both Bishop Young Academy and Leeds East Academy, supporting young people with behavioural issues who are at risk of exclusion, and helps them make changes and engage better with their education. Through this, relationships of trust have been built up, and teenage boys/ young men in particular have developed a great respect for the Lead Evangelist.

Friday night youth clubs take things a step further for older primary school children and for teens. These currently run 4 - 6pm for school years 4-6, and 7 - 8.30pm for years 7-11. These two groups are socially different; the younger attenders brought be parents and the older group needing more disciple, but who have responded wonderfully to the love they have experienced and have huge respect for Neil.

A biker outreach was runs out of Neil's garage on Wednesday evenings, where young people are assisted in repairing bicycles and motorbikes, in partnership with the Christian Motorcyclist's Association. This is developing into a project called 'Geared for Life', with the aim of developing a social enterprise where young people can develop practical and business skills to convert bicycles to e-bikes.

Youth Church was begun in 2021, but has struggled with a lack of attendance in 2023, and has not restarted as yet. There is scope for continuing to imagine what church might look like for the young people of Seacroft, and to explore how Seacroft young people become disciples. There is also great potential for identifying and developing young leaders who can take a lead in owning the youth ministry for themselves and to fulfil the aim of it being 'for young people, by young people'.

Activities take place with the support of the Parish of Seacroft, with access to St Richard's church building for youth club and youth church.

It has been our intention for some time to invest more in this ministry, and to appoint a colleague to work alongside the Lead Evangelist.

However, the Lead Evangelist will be ending his role at the end of July 2024. It is our every intention to appoint a new Lead Evangelist in time, and to ensure this ministry is linked with the wider diocesan mission strategy for East Leeds that is being developed for Summer 2024. **We hope to appoint a new Lead Evangelist in late 2024 / early 2025, and restart the Centre of Mission.**

THE ROLE OF THE INTERIM YOUTH WORKER

The Interim Youth Worker role is primarily intended to keep some core activities going whilst the main thrust of the work is paused. We wish to keep the valuable relationships, activities and teams of volunteers that have been built up. This is particularly Wednesday and Friday evenings. Depending on availability and hours, there will also be the potential for exploring how links with young people at the 2 high schools can be maintained.

We are keen to ensure that the successful candidate feels fully supported, particularly in the absence of a Lead Evangelist. Support will be provided by a member of the MYCN and the CA Mission Development Officer, with regular supervisions and guidance, and offering telephone support where needed.

Once the Lead Evangelist is appointed, the Interim Youth Worker would work with the Lead Evangelist in evangelism, innovative mission, making disciples and continuing to grow missional youth church in Seacroft: to advocate, resource and enable evangelism. Candidates should therefore anticipate a change of focus, that may affect when hours are worked, when the new Lead Evangelist is appointed. This may or may not lead to a continuation of the role after one year, or a new role being developed.

Leeds CoM attracts and ministers mainly to teenage boys and young men, and there is a particular desire to grow this work among teenage girls as well, over time.

The right person for this role will be someone with a sense of call to work with young people, especially those who face many challenges in life and who can in turn present with challenging behaviours. He or she will have a desire to see lives changed for good, and see encountering the gospel of Jesus, his truth and love as key to how lasting change can come about. He or she will understand that trust is built slowly, that Christlike relationships are key, that change is rarely quick and not always obvious, and be willing to commit for the long term.

The Interim Youth Worker can expect to work closely volunteers and with the new Lead Evangelist; to support and help develop existing ways of outreaching but also to explore the developing of new ways of reaching young people with the gospel. She or he will bring his or her own gifts and experience to Leeds CoM, and will be supported and receive appropriate training from Church Army, the Diocese of Leeds and as a member of MYCN.

Church Army DARE Strategy

People who work for Church Army are passionate about Evangelism. But to fulfil our vision 'For everyone everywhere to encounter God's love and be empowered to transform their communities through faith shared in words and action', Christians across this nation need to be encouraged and equipped to be living witnesses to Jesus Christ. Every person in this land has the potential to share in God's mission. So, our strategy is to see all who are part of Church Army:

- Doing evangelism
- Advocating evangelism
- Resourcing evangelism
- Enabling evangelism
