THE MARYLEBONE PROJECT

The Marylebone Project provides a life-changing service for homeless women and is the largest and longest-running centre of its kind in London and the UK with over 90 years of experience supporting vulnerable homeless women in crisis. It is a registered social landlord set up through a partnership between Church Army and the Portman House Trust.

We provide the largest range of services in the UK for women experiencing homelessness. We are proud to provide 112 long- and short-term beds to homeless women as well as safety and support 24/7, 365 through 'The Sanctuary' - our newly refurbished drop-in facility. We deliver education, employment and training opportunities and meaningful activities in order to support service users into independent living.

Whatever stage of their journey, we can provide training opportunities, including through our Social Enterprises, and all of what we do is shaped by and focussed on the women in order to support and empower them to independent living.

Those we support are often affected by substance misuse, unemployment, domestic violence and mental health issues. Whatever their story, we aim for the same ending; self-esteem, employment and independent living. We do this by providing shelter, emotional support, education opportunities, spiritual space, and events in a welcoming and secure environment.

Our ethos is that each woman is a very special person and through the themes of:

Hospitality - that all are welcomed

Empowerment - equipping women to make informed choices

Resettlement - encouraging and supporting women towards independent living

Spirituality - that God loves each person regardless

The Marylebone Project is led by our Executive Manager, Amy Hull, and our Senior Homeless Manager, Sue Way, who also oversees our youth homelessness project in Cardiff. We currently employ around 50 staff at the Project in a range of roles. Our Project is reliant on the generous giving of our supporters and is a partly commissioned service through Westminster Council. We operate across two sites: Bradbury House and Elgood House, proudly offering our services 24-7 365.

Find out more about the work of the Marylebone Project and hear from our staff and inspirational women by listening to the BBC Five Live broadcast from the Marylebone Project [here](#).

"I am so pleased to be the first-ever Patron of the Marylebone Project. This amazing place serves hundreds of homeless women every week and helps them make a fresh start. I love how the project empowers women to make the changes to transform their own lives. I see this myself when I visit, and I am always inspired by the stories of the women I meet."

Ellie Goulding, Patron

ROLE OF SERVICES ASSISTANT

This exciting but highly responsible role is key to ensuring that the Project runs smoothly and efficiently to provide a safe, secure and welcoming environment for the women we serve.

The administration of the whole Project is paramount to the work we do and as such it will be your role to ensure that all staff have the right administrative resources to perform their roles.

As member of the administration team, you will oversee the day to day backroom functions and also work alongside the Finance Administrator and Receptionist to ensure that the day to day financial operations are fulfilled and that all visitors to the Project are welcomed.

You will be responsible for maintaining all keys and fobs systems, all office and administration equipment and resources, assist with all recruitment, participate in local payroll duties, participate in procurement of resources and stationery management, liaise with donors and maintain all records and data.

Being based in the admin office you will have direct contact with service users regarding the issuing of keys and fobs, responding to service users' feedback and supporting them in their personal share payments during periods of the Finance Administrator's absence. As such you will have a passion and desire to assist service users in fulfilling this element of their responsibilities for managing their personal finances and growth towards independence.

You will be the first point of contact for all staff for general Project administrative services and will liaise with Project management relating to all feedback received from service users.

Whilst you will be office and Project based you will also have the scope to liaise with external contacts of the Project's fundraiser in relation to donations received and services engineers in relation to maintenance and repair of administration equipment and on site ICT equipment.

The administration team is part of the wider services team of the Project and incorporates administration and finance and housekeeping and maintenance. All these functions are managed by the Services Manager who provides immediate direct line management and supervision to administration roles. Teamwork is key to all we do, and therefore you should be someone who is a strong team player, able to engage well with others and build a positive working environment for each other. The nature of the work is hugely rewarding but can also be challenging, which is why we look for people who are resilient, like a challenge and passionate about seeing the lives of homeless women transformed.
